Dear Friends;

We would like to invite you to participate in Youth For Tomorrow's 41st Annual Country Fair and Auctions, to be held on Saturday, October 3rd, on the Youth For Tomorrow campus. The Country Fair has become one of the premier fall events in Northern Virginia. Last year, the event drew well over 15,000 attendees for a day of family-friendly activities and attractions, live music, and great food.

This year, we have expanded the Country Fair by adding a new, exciting themed area: The ***Trades and Home Expo.*** This area will focus on two primary areas: Workforce Development and Home Improvement. We are reaching out to invite you to support this event as a sponsor and/or vendor.

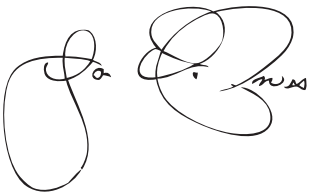
The foundation of Youth For Tomorrow is deeply rooted and connected to the construction and trades community.

In 1984, Coach Gibbs approached Bill Hazel for an estimate to begin construction of the youth home, with $150,000 in hand. When Bill presented an $800,000 estimate for the "dirt work," Coach was speechless. But the goodhearted Mr. Hazel said Coach need not worry and that he would donate his services. YFT Co-Founder Mr. Hazel was not only a visionary philanthropist but also a highly respected leader in the construction industry. His legacy of hard work, craftsmanship, leadership, and community investment continues through Youth For Tomorrow's mission today.

The ***Trades & Home Expo*** will spotlight the industries that are instrumental in building our homes and office buildings, strengthening our communities, and inspiring the next generation of skilled professionals.

Along with our Country Fair Presenting Sponsor, Toyota, NV3C (Northern Virginia Construction Careers Coalition) will be hosting this Expo area. By becoming a sponsor, your company is not only showcasing its products and services to thousands of attendees, but you are also immersing potential skilled professionals by sparking their interest in the trades.
Please join us for this terrific day that celebrates the boys and girls who benefit from the program and services at Youth For Tomorrow each year. Together, we can make a difference in the lives of 150 children.

Thank you for your consideration,



Love D. Jones
Sr. Vice President, Development and Public Relations

"I believe there is nothing more important in life than what we leave behind in terms of how we have helped others. It is our Enduring Legacy. Years from now no one will remember who had a great season or who won the Super Bowl. That's why Youth For Tomorrow is so important to me. For each young man and woman that we are able to help, we start a chain of good results because he or she will influence his or her own spouse and children and others around them. And they will pass along what they have learned to others. What will last in this world is what kind of influence we have had on others."
– Coach Joe Gibbs
